

MISSION

Who We Are

Prescient Global Solutions (PGS) is a Service-Disabled Veteran-Owned HUBZone language & professional services organization. For over six years, Prescient Global Solutions has provided innovative, low-cost, and effective solutions to government clients across the nation. From disaster relief, to ASL and language interpreting, to medical translation, to project management and coordination, Prescient provides innovative best value solutions to challenging technical and management problems. With our roots in the Intelligence Community, PGS has provided language and professional services to federal, state, and local government clients since 2015. We have worked nationwide from Puerto Rico to Hawaii, and are a full spectrum language services provider, with phone, video, and in-person services, as well as specialized language services such as tactile, trilingual, and CDI.
